ODEM HIGH SCHOOL

Odem, Texas

FOREWORD

The sincere and capable young men and women of our school and community will share in the building of our state and nation.

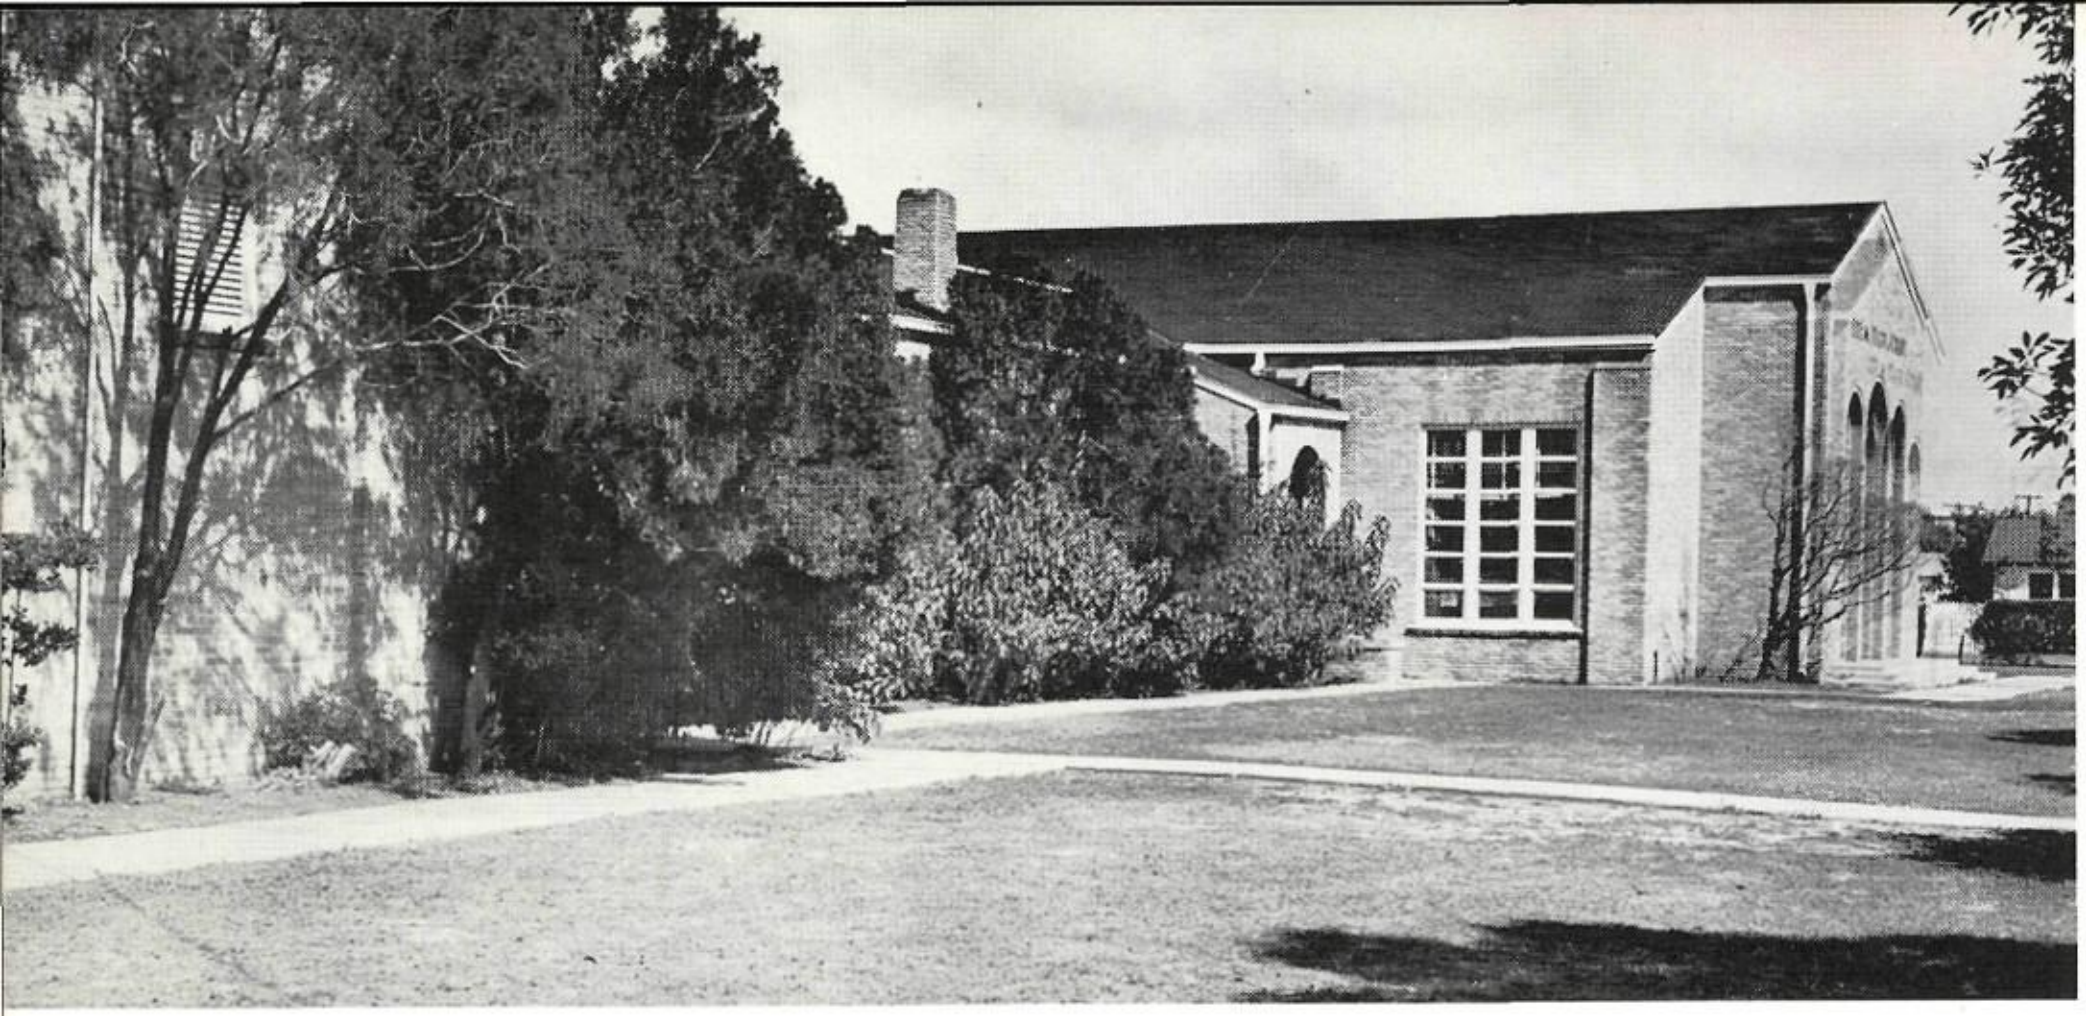
With an abiding love

and

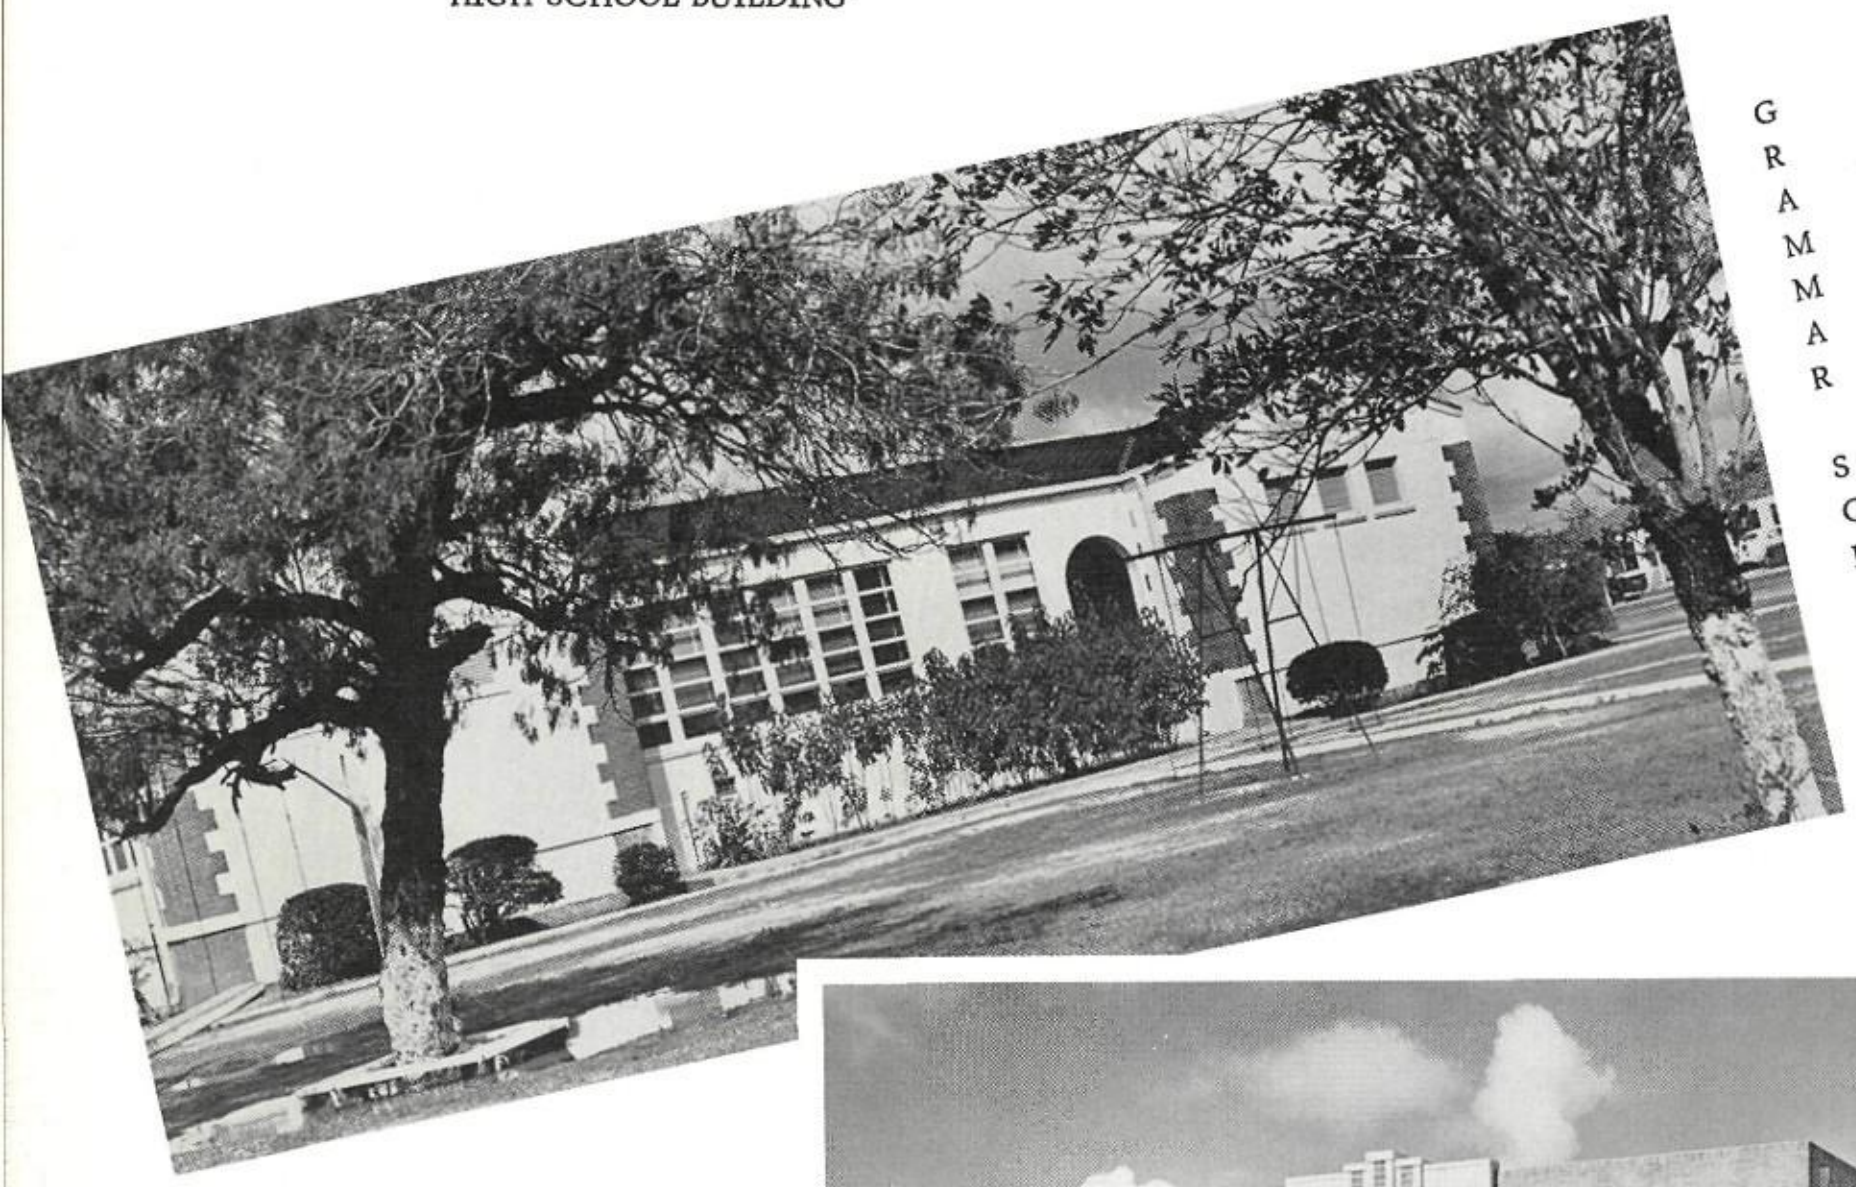
a thankful awareness

of all they have and will mean to us

we dedicate this book to our school and community.

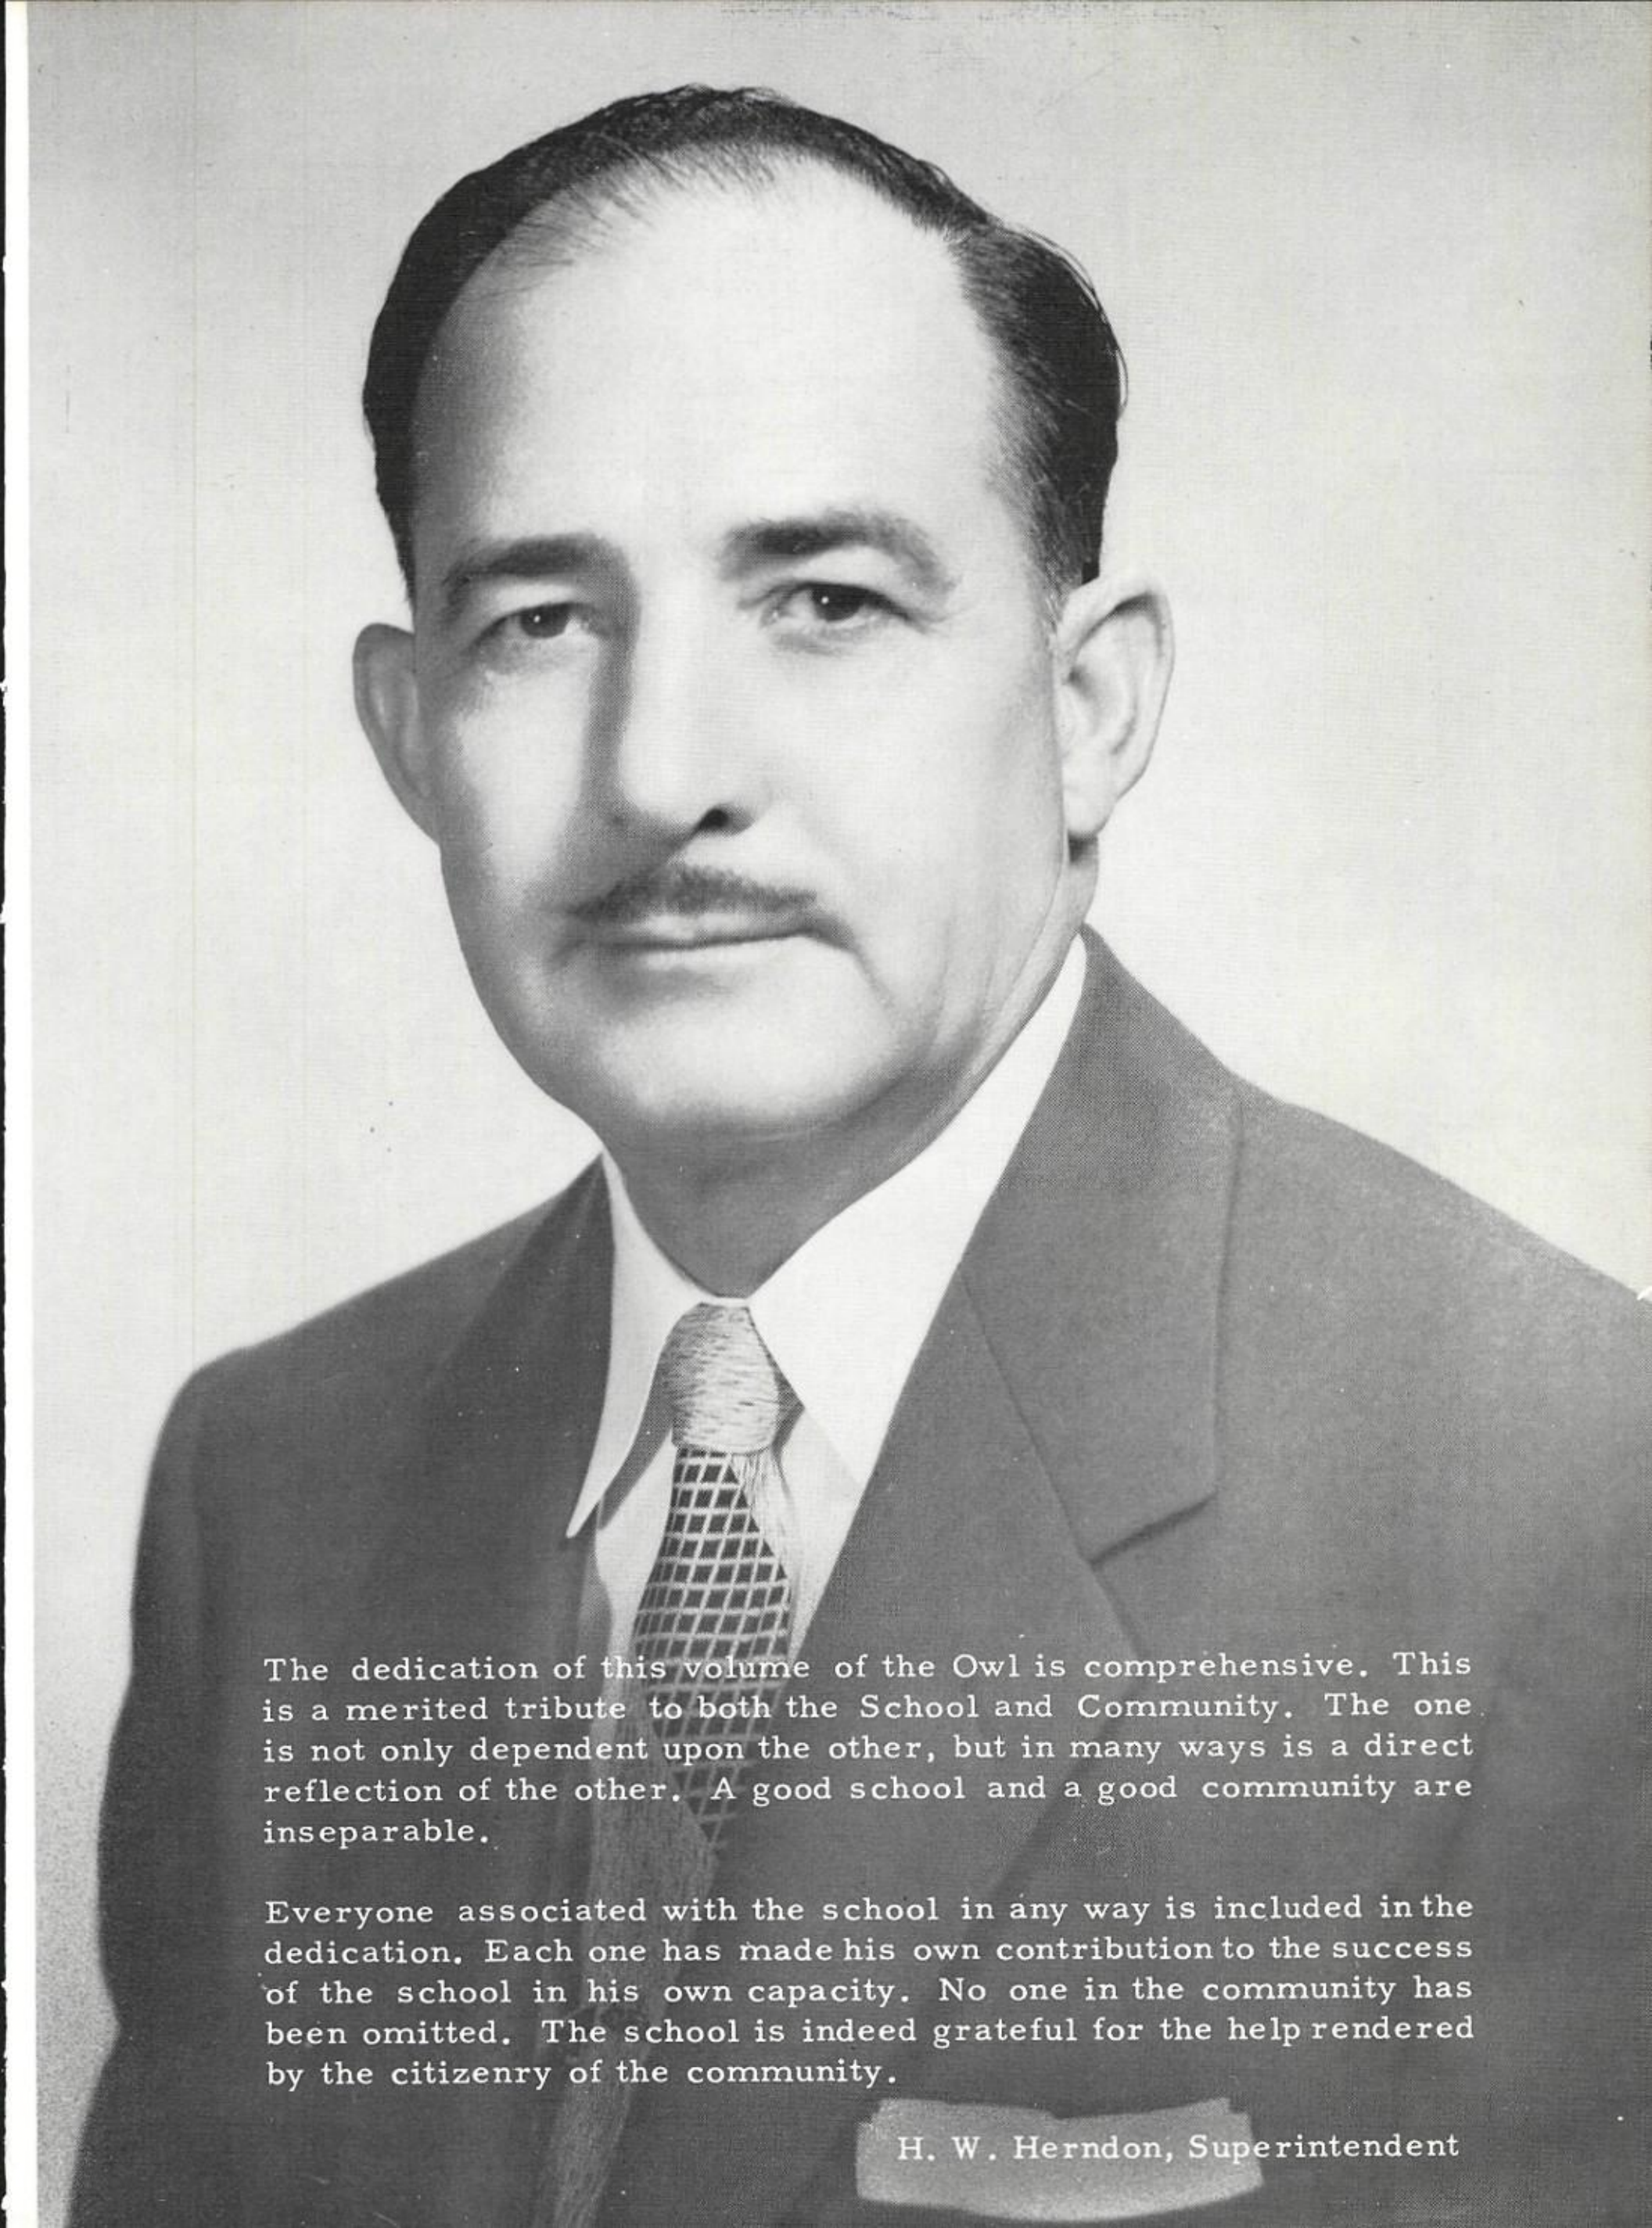


HIGH SCHOOL BUILDING



GRAMMAR SCHOOL BUILDING

GYMNASIUM



The dedication of this volume of the Owl is comprehensive. This is a merited tribute to both the School and Community. The one is not only dependent upon the other, but in many ways is a direct reflection of the other. A good school and a good community are inseparable.

Everyone associated with the school in any way is included in the dedication. Each one has made his own contribution to the success of the school in his own capacity. No one in the community has been omitted. The school is indeed grateful for the help rendered by the citizenry of the community.
